

Hello, I want to express my concern that the new broadcast service LPFM should NOT take priority over current FM translator service, as our familys favorite radio station, K-LOVE is often heard on FM translators.

Please do not force these FM translators off the air, as we value the K-LOVE programming very much. It is the ONLY radio station that we can consistently find in towns all over the country that we feel has the family-friendly programming that we are comfortable sharing with our children. When we travel, we always search for the K-LOVE station in that area. At home, we almost always listen to K-LOVE. My children love the music and it does not demonstrate any of the poor values that we are trying to avoid. I believe it is in the public interest to have CLEAN contemporary music such as K-LOVE for our young children and adults. We like to focus on positive and encouraging music rather than music about cheating and love affairs outside of marriage and other negative elements. We COUNT on stations like K-LOVE to encourage our children that they CAN enjoy the GOOD life where the attitude is positive and kindness is encouraged and where marriage is treasured as a life long commitment.

THANK YOU FOR YOUR CONSIDERATION!!

Sincerely,  
Matthew J. and Mary C. Ries
